ABSTRACT SUBMISSION 1 MAR - 15 JUN

ABOUT YES MEETING

The 3-day program consists of four kinds of activities

SYMPOSIUMS

Integrins • Bone Marrow • Brain-Machine Interface • Cardiovascular Medicine • Cardiothoracic Surgery • NOTES •

Ageing • Good Morning with Scientists are this year topics.

You will have the opportunity to learn more from world-class experts in an informal manner, exchanging knowledge and experience.

STUDENT PRESENTATIONS

Physiology & Immunology • Neuroscience • Oncology & Molecular Biology • Internal Medicine • Surgery are this year

themes. You can present your work in the **Poster Sessions, Parallel Oral Sessions** or **Plenary Session**. We have excellent awards for the best presentations!

WORKSHOPS

A unique and enriching opportunity for you to learn different medical and other techniques in your area of interest!

SOCIAL PROGRAMME

Consisting of city tours, sight-seeing on Oporto and Vila Nova de Gaia and its surroundings, as well as dinners and parties, the social programme provides an excellent way for you to get the most of this two beautiful cities, while meeting new people and making new international friends!

WAYS TO PARTICIPATE

Every participation includes the full YES Meeting scientific programme and social programme.

PS – PRESENTING STUDENT

Get a chance to present your research work! The best papers are selected for oral presentation and for the plenary session!

NPS – NON PRESENTING STUDENT

If you are not looking for presenting a research work, you can still benefit from all the YES Meeting has to offer by registering as a NPS.
